Interstate 40 Bridge Work Continues

San Bernardino County – Caltrans continues work on a \$3 million project on Interstate 40 (I-40) to repair girders on eight bridges. The work consists of installing shear keys to stop/delay progression of girder cracks.

On July 28, work will begin on the westbound side of Haller Bridge. The work will last approximately four weeks and will affect one lane across the bridge. **Please note:** The one lane available will provide for a 16' width. Any oversize loads should contact Caltrans Transportation Permits at (909) 383-4637. In order to keep you moving and on time, we have provided the work schedule below.

DATE	LOCATION	LANE INFORMATION	CLOSURE HOURS
July 28 for approximately four weeks	Westbound I-40 at Haller Bridge	One lane will be available	24 hour closure

Caltrans would like to thank motorists for their patience and support as we work to improve your roads. Avoid frustration by allowing extra travel time. As safety is Caltrans number one priority for both motorists and workers, we ask that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE.***

This "Alert" will be updated with new information for the duration of the project. Please visit our website at www.caltrans8.info and go to "CT Connect" to sign up for automatic notification of this alert and others.
